

# 5 INVESTMENT IDEAS TO SPICE UP ROMANCE

**Money is a major factor in relationships. Use these smart ideas to spice it up.**

## 1. JOINT INVESTMENTS

Sharing is caring and this applies to your investments too. Invest jointly to reassure your partner about a bright future. It's the thought that counts.

## 2. PLAN FOR THAT VACATION

There's nothing more romantic than a nice vacation to an exotic location. However, you need to start investing for that. Opt for a short or medium-term Debt or Balanced Fund depending on your risk appetite to gather the required money.

## 3. BUILD POST-RETIREMENT LIFE

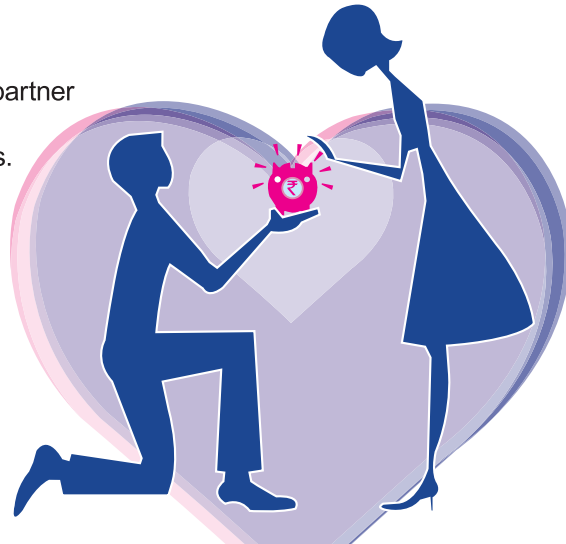

Showing that you care about your future can make your partner feel great. Invest in a Retirement Fund to enable your partner to be financially independent in their golden years.

## 4. GIFT GOLD FUNDS

While gifting Gold, there's always the risk of not getting the right design. Instead, gift Gold in the form of a Gold ETFs or Funds.

## 5. START A SIP

A little extra money in the pocket is always a great feeling. By taking their SIP responsibilities in your hand, you can easily reduce their financial burden.
